

## CREDIT CHECK VERIFICATION

Our partnership with TransUnion enables you to access **fast, accurate credit checks on the Triton Platform**. Credit checks give you an idea of how your applicant handles money. Credit checks are vital for **identifying and preventing** both employee and applicant fraud.

This type of check is helpful for employers seeking a candidate that must demonstrate financial responsibility. It can also **be used by landlords, property management companies, loan companies, and companies** who finance products where an applicant's payment habits are relevant.

## WHAT CAN YOU LEARN THROUGH A CREDIT CHECK?

- Financial status
- Credit score
- Payment habits
